II. Discussion

A. Draft Budget

County Administrator Dean Rodgers addressed the Board and reported the budget has been prepared and it has accomplished everything that the Board has asked.

Mr. Rodgers pointed out that on page 9 of the proposed budget, the County received its first Distinguish Budget Presentation Award from the Government Finance Officers Association for the FY2020 budget. This award recognizes that "a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device. He said he hoped that the FY2021 budget would win an award next year.

Mr. Rodgers advised the proposed budget would be published on the County's website and the public will have an opportunity to comment at a public hearing on April 20. He said that after seven days from that date, the Board would then adopt the budget if no changes were made.

Board members expressed their appreciation and thanks to staff for all the hard work.

By motion of Supervisor Martin and with the following vote, the Board directed staff schedule a public hearing on the proposed FY22 budget and CIP to receive comment from the public.
